Dear colleagues and friends of the Flemish Head And Neck Cancer Society,

This year our annual scientific Winter Symposium will again be organized in collaboration with the FNRS de pathologie cervico-faciale (BHNOCG). We would like to cordially invite you:

Controversies in the treatment of head and neck cancer

Saturday December 15th 2018 from 9.00h – 13.00h

Aula of the Ghent University

Voldersstraat 24, 9000 Gent

The symposium will take place in the most prestigious building of the Ghent University and will gather as usual a multidisciplinary faculty of Belgian and international speakers.

Subscription

This multidisciplinary symposium is open for all health care professionals involved in the treatment of patients with head and neck cancer.

The meeting is free for members of the VWHHT and the BHNOGG but confirmation of attendance is requested via the website: [link](#).

Medical doctors that are non-members can subscribe by payment of 50 EUR, and paramedical professionals that are non-members by payment of 35 EUR via the website: [link](#).

Medical doctors in training can attend the meeting for free BHNOGG but should confirm their presence via the website: [link](#).

Accreditation for medical doctors has been asked for at RIZIV/INAMI with 1 CP in Cat. 6 (Ethics & Economics) and 2 CP in Cat. 3 (national meetings). Only registration via the website will allow us to register your presence for accreditation easily.

Registration deadline: 2 December 2018

Hoping to meet you during the symposium,

Prof. Dr. Frédéric Duprez on behalf of the Board of the VWHHT.
